

SUMMER OF MACHINE LEARNING AT SKOLTECH

Skoltech

CERTIFICATE

We confirm the presence and the participation of

Abduragim Shtanchaev

at the Summer School of Machine Learning at Skoltech (SMILES).

The school was held online from August 16th to August 21st, 2020.

Acceptance into the SMILES program was highly competitive, with only 10% of 2000 applicants admitted. SMILES consisted of 72 hours of lectures and presentations. The program and list of participants are available at smiles.skoltech.ru.

For the steering committee:

Evgeny Burnaev

Keith Stevenson
